

Looking Forward, Giving Back

FISCAL YEAR 2012

One Connection. Unlimited Possibilities.

“The true meaning of life

is to plant trees,
under whose shade
you do not expect to sit.”

– Nelson Henderson

Dear Friends,

Whether you’ve been connected to the Southwest Initiative Foundation (SWIF) since our inception in 1986 or are just getting to know us, you’ll see a wide range of impact through our work. From investing in businesses to developing community leaders to serving donors, we are a single connection offering unlimited possibilities for our rural southwest Minnesota regional community.

Throughout Fiscal Year 2012, we continued thoughtful planning, calculated risk taking and unfailing commitment to our entire region. On the heels of our 25th anniversary celebration, SWIF continued to celebrate and recognize the programs, partnerships, and most importantly, the people who make our work both possible and necessary.

And, giving has remained at the core of this work.

In Fiscal Year 2012, we again exceeded our goal by raising more than \$316,000 for our General Endowment, which is a critical tool for growing resources to support our region forever. We received two gifts through our Keep It GrowingSM farmland retention program, a unique way to support our region and communities while keeping valuable land in production. We created a new Legacy Circle to recognize donors who make a planned gift to support SWIF beyond their lifetime. And, we welcomed three new community foundation partners into our family of more than 100 funds.

Together with all of our fund partners, we awarded grants totaling more than \$1.4 million dollars. These are real dollars going out to grow and promote local activities and our entire region.

But, SWIF doesn’t accomplish anything alone—we create impact by building relationships with people who want to make a difference. We have the tools and expertise to help people give back to support causes they care about, and we have the experience and connections to leverage these gifts to create a greater impact.

Each name in this edition of *Looking Forward, Giving Back* represents a wonderful story of giving. Our donors make a choice to support our work because they believe in the possibilities our future holds, and we sincerely thank each of you for your partnership. While we can’t share every story, we hope that those we have featured in this book will inspire you to think about your own giving. There is so much we can accomplish together!

Sherry E. Ristau
SWIF President/CEO

William McCormack
SWIF Board Chair

With great appreciation, we recognize the individuals, businesses and other funding partners for their generous contributions for SWIF's Fiscal Year 2012 of July 1, 2011, through June 30, 2012. We believe this list is accurate and complete. However, please accept our sincere apology if we have inadvertently omitted your name or listed your gift incorrectly and contact us as soon as possible to ensure we update our records.

Through the generosity of those listed within these pages, SWIF and our fund partners are able to deliver programs and award grants that make a difference in the 18 counties of southwest Minnesota.

Funds that received no gifts and awarded no grants in Fiscal Year 2012 are not included in this booklet. Please visit www.swifoundation.org/funds for a complete list of SWIF fund partners. The ability to award grants even when no gifts were received is due to investment and project strategies, as well as support from generous donors in previous years.

SWIF General Endowment

SWIF GENERAL ENDOWMENT

- A permanent resource for southwest Minnesota that allows SWIF to respond to the region's changing needs and opportunities. Gifts are matched dollar-for-dollar by The McKnight Foundation.

New Legacy Circle to Honor SWIF Donors

Perhaps you've been thinking about the ways you can to support your home community, favorite nonprofit organizations or specific causes that you care deeply about. Have you considered leaving your legacy through SWIF?

We know many people throughout the region have already included SWIF in the gift portion of their estate plan or are planning to do so.

If you have, or are considering leaving a family legacy to Southwest Initiative Foundation by will, revocable living trust, life insurance, charitable trust or charitable gift annuity, please let us know.

Our new Legacy Circle is a special group of visionary people who want to help future generations enjoy the quality of life we value. By creating this Legacy Circle, we are able to thank you today for the impact your gift will make in the future.

An event will be planned to thank and honor Legacy Circle members—anyone who has disclosed that they have SWIF in their estate plan—so please contact us today to learn more.

As always, we are happy to assist you in making a gift that meets your charitable goals. And, keep in mind that many giving options may benefit family members through careful tax planning, so we also work closely with your professional advisor to make sure these benefits are realized.

To confirm your planned gift to SWIF or for more information, contact Legacy Gift Planner Bob Golberg at 800-594-9480 or bobg@swifoundation.org.

Our Best Stories

It's hard to pick just a few stories that represent all of the Southwest Initiative Foundation's work. So, we asked current and former members of our Board of Directors, staff and partners to share what they thought is the best Southwest Initiative Foundation story ever.

Their responses led to a video highlighting four incredible examples of the impact Southwest Initiative Foundation has throughout our rural region. We're proud to share these stories, which include Honor Flight based in Luverne, early loan clients Harlan and Jerri Palm of Grove City, the Buffalo-Lake Hector-Stewart School Foundation, and the Christian Community Outreach Center in Olivia.

We hope you'll be as inspired as we are by the amazing people featured in this video. It's because of people like them that Southwest Initiative Foundation is able to help make a difference throughout southwest Minnesota...and it's because of our donors that we're able to support them.

Visit www.swifoundation.org to enjoy this heartwarming video, or call our office at 800-594-9480 to receive a copy on DVD.

Wayne and Karen Freese: A Family Tradition of Giving

“If you’ve been blessed in life, you have a duty to help others.” It’s this attitude, expressed by *Karen Freese* on behalf of herself and her husband *Dr. Wayne Freese* that motivates the couple’s charitable giving.

And it’s their life experiences that give shape to that charitable giving.

While Wayne was in veterinary school at Iowa State University, the couple was raising two children, holding down several jobs to make ends meet and striving to maintain academic standards necessary to graduate and pass state boards. The responsibilities of everyday living and facing unexpected health issues gave the couple a unique perspective on life. It was this understanding that led the couple to establish scholarships at ISU for married students with children – based not on academics but need and ability to reach their full potential.

“If you’ve been blessed in life, you have a duty to help others.”

—Karen Freese

Today Wayne is CEO/Chairman of Prairie Holdings Group and an accomplished agri-business leader. Life has continued to present trials, experiences, opportunities and blessings.

After meeting with the town’s mayor in the early 1980’s, the couple found there was no local vehicle to facilitate the couple’s desire to establish a long term way of sharing their blessings. Their search eventually led them to the Southwest Initiative Foundation, where they established a donor advised fund that focuses on families.

“The people at SWIF are good stewards and have an excellent track record,” says Wayne. “We like their projects too – working with the elderly, with kids, they have a great early childhood initiative.”

Eventually, Wayne served on the SWIF Board of Directors and as Board Chair from FY 2008-2009.

“SWIF can custom-make a [giving] program for you that you’re going to like,” says Wayne. “They have the tools to do this. Around the nation people call and want to find out what SWIF is doing – they’re leaders in their field.”

“For example,” he says, “the Growing Home Circle brings together people who are philanthropically inclined.” The Freeses are members of the Growing Home Circle – donors supporting SWIF’s General Endowment Fund. “We share and learn, and in turn that stimulates more giving.”

Through their fund, Wayne and Karen are able to give grants through other entities, such as church, which impacts many people. And they often give anonymously.

“People don’t need to know. You may be pushing a grocery cart next to someone that has been helped. You don’t even know it and neither do they,” says Karen. “And that’s okay. You don’t do it for the thanks.”

Eventually, Wayne and Karen’s children, and later their grandchildren, will take over the donor advised fund. The couple is easing their children, who are in their forties, into the roles they’ll someday play. “We usually talk to our children and get their suggestions,” Wayne says.

And he is encouraged because he sees philanthropy becoming a family tradition.

“I feel good,” says Wayne. “A month ago our son told me he and his wife want to set up a fund themselves.”

Ken is an ordinary person with extraordinary dedication to his community. He taught for 33 years in Buffalo Lake and eventually the consolidated Buffalo Lake-Hector School District. He was mayor of Buffalo Lake. He was on the school board and served as the board treasurer.

And when Ken recognized there was an opportunity to create a foundation to help the schools, he began the process. It took several years until the community was ready – but in 2006, Ken met with SWIF to establish both an endowment and a non-endowed fund.

Ken was the lead donor, with a gift of \$1,000.

Today the Buffalo Lake-Hector-Stewart School Foundation holds over \$200,000 and has made gifts to the school of more than \$140,000. The foundation has a local advisory board and ambitious goals.

“It has made me happy to see the results of our foundation,” says Ken. The non-endowed fund has provided important support, such as equipping classrooms with SMART Boards. “These items we’ve been able to purchase are beyond what the general fund can afford.”

Ken’s inclination to give has grown over the years. “For some reason I used to be really tight,” he says. “But it’s gotten to be a passion of mine now.”

“I’m not a wealthy person yet I feel I’ve contributed to the individuals in our schools and that gives me a lot of satisfaction,” Ken says.

Ken credits SWIF with making the process easy; the more technical aspects of starting and growing the foundation are taken care of.

“I can’t brag enough about SWIF,” Ken says. “The personnel are so courteous and helpful. They’re just fun to work with.”

He also appreciates SWIF’s impact on the region. “They’ve done a great deal to help businesses and other organizations,” he says.

One of the lessons Ken teaches us is that small donations can really add up. He continues to help build the fund through honoring gifts for birthdays, anniversaries and memorials.

“The reason I have this passion is that I want to help out,” Ken says. “The self has to come forward and say, ‘this is important. So I’m going to do it.’”

“I’m not a wealthy person yet I feel I’ve contributed to the individuals in our schools and that gives me a lot of satisfaction.”
Ken Anderson

Ken Anderson: Small Gifts Make a Big Difference

If you’re on *Ken Anderson’s* Christmas list, chances are good that you received a very special gift. It was a note informing you that Ken has made a donation in your honor to the Buffalo Lake-Hector School Foundation’s endowment fund. And it was the best gift anyone could receive – because it will continue to help children every year, for years and years to come.

A Unique Way to Give

FARMLAND

For the Southwest Initiative Foundation's Keep It GrowingSM farmland retention program, maintaining one of the region's greatest assets—farmland—is top priority. Our program allows landowners to make a gift of land, but rather than selling it, we keep land locally owned and functional as farmland, providing a lasting legacy to our communities and region.

Keep It GrowingSM is an important giving tool that benefits all involved.

- Landowners receive a tax deduction for the charitable portion of the gift; bypass all capital gains taxes; create stable revenue source for remainder of lifetime; and benefit favorite charities.
- Tenants continue renting the land and keep wealth generated by the land local.
- County maintains tax base, as SWIF continues paying property taxes on the land.
- Southwest Initiative Foundation retains ownership of the land and diversifies its investment portfolio; earns revenue from the rent for the benefit of the southwest Minnesota region and its communities; and serves donors in a meaningful way, helping landowners create a legacy.

Learn more about this unique giving program at www.swifoundation.org or by contacting us at 800-594-9480 or donate@swifoundation.org.

Granite Falls Kiwanis Club to support work at the popcorn stand to help community youth
ISD #2190 - Yellow Medicine East to support 6th grade literature and for the Granite Falls Area Community Theatre to support new sound equipment

The Impact of Your Giving

Thanks to the generosity of our donors and partners, these are some of the highlights of the Southwest Initiative Foundation's impactful work in Fiscal Year 2012.

- Three new community foundation fund partners joined SWIF's family of more than 100 funds, including Bird Island-Olivia (BIO Legacy Fund), Montevideo and Walnut Grove.
- Two gifts of farmland were booked through SWIF's Keep It Growing farmland retention program that will ultimately benefit the region.
- A unique opportunity for donor engagement in Luverne led to SWIF providing local leadership to facilitate community visioning sessions and equipping community members to begin implementing multiple community improvement projects.
- Organization-wide development efforts allowed us to exceed the fundraising goal to the SWIF General Endowment by raising more than \$316,000 to benefit the entire region.
- The final Honor Flight Southwest Minnesota trip was made. More than 300 southwest Minnesota veterans were taken to Washington, D.C. on trips made possible by this volunteer- and donor-driven organization, which SWIF supported through our Paul and Alma Schwan Aging Trust Fund.
- SWIF awarded \$1,000 grants to each food shelf in southwest Minnesota for a total of \$36,000. The checks were delivered in person by SWIF board and staff to see what our local food shelves do in the community. SWIF staff and board have continued our monthly food shelf collections and personally donate about 50 pounds of food and \$100 to a different food shelf in our region each month.
- The Business Finance Program became an approved lender under the State Small Business Credit Initiative allowing SWIF to make a greater impact. SWIF has deployed 71 percent of this loan fund to support business development throughout the region.
- Entrepreneurship/Microloan team closed 40 microloans and launched an updated CORE website to provide business education to existing and aspiring entrepreneurs. SWIF was also invited to serve on the board for KIVA's new U.S. loan platform which presents a unique way to increase access to capital in the region.
- SWIF hosted its fourth Leading By Example event "The Mind of a Champion" providing leadership development and networking opportunities to 40 business leaders.
- SWIF sponsored the Animal Science Venture Forum in Willmar and the Regional Bioscience Conference in Worthington to support these key asset sectors.
- In partnership with Initiative Foundation, SWIF established a pilot coalition of lake associations in Meeker County to participate in the Healthy Lakes and Rivers Partnership working to evaluate and enhance water quality.
- The Youth Energy Summit (YES!) program, in partnership with Prairie Woods Environmental Learning Center, established 27 student teams.
- Two new Early Childhood Initiative Coalitions were launched including Lac qui Parle Valley and Bird Island-Olivia-Lake Lillian (BOLD).
- SWIF trained 26 nonprofit leaders through the Nonprofit Leader's Academy, a program designed to help build individual skills and capacity.
- SWIF staff completed a Facilitate and Transfer Field Guide based on best practices and models used in SWIF programming to develop and challenge leaders throughout the region. Efforts increased the cross-functionality of staff throughout the organization. These best practices were also shared with two returning Blandin Community Leadership Program cohorts in our region, including Olivia-Renville-Sacred Heart and Murray County.
