NEW OPPORTUNITIES TO GIVE IN 2025

Since 2013, **Give OUT Day** has helped hundreds of LGBTQ+ nonprofits raise millions of dollars! This year, Give OUT Day will be hosted by the team at GiveMN - we're proud to continue the legacy of the only national LGBTQ+ giving event, to be held this year on **June 5th.**

This event, which begins May 22 and continues through Pride Month, will support hundreds of organizations to **ignite generosity, grow giving, and build brighter, more equitable communities** across the U.S.
